

## COMMUNITY RELATIONS POLICY

---

Assess Orr Pty Ltd (Assess Orr) strives to be the leader in heavy lift and industrial equipment supply and service. We believe that the building of relationships based on trust and communal values is essential to our core business achievements. Our commitment to create communal values in all our relationships has contributed to our success in being the preferred business partner.

Our commitment is supported by our knowledge and experience in:

- Understanding and respecting the needs and aspirations of all members of the communities that we work with
- Conducting our activities in ways which will benefit those with whom we work
- Acting as a responsible member of the communities in which we operate
- Demonstrating respect for the values, views and rights of individuals

Assess Orr considers that social responsibilities are an integral part of business. We are committed to managing our activities in a socially and environmentally responsible manner. We endeavour to build sustainable and mutually beneficial relationships with our clients and other key stakeholders.

Assess Orr demonstrates a commitment to community relations through:

- Protecting sites of cultural or heritage value
- Assisting in the development of independently sustainable local businesses.
- Purchasing items and using services from local businesses, where practicable
